GRAPHIC + VISUAL DESIGN

OVERVIEW

Creative, independent, detail-oriented graphic and visual design freelancer. Proficient with programs such as Adobe CC Suite for creating concepts and final designs. Experience directing, organizing, and collaborating in a team.

EXPERIENCE

2016-2021 | Snohomish Evangelical Free Church, Volunteer

2019-2021 designed logo and concepts for Med Shed, Cold Weather Shelter, and Church. Worship, audio, and visuals for service until the year 2020.

2019 | Tyler Designs, Freelancer

Collaborated and designed product packaging and marketing materials for Medallion Foods.

2019 | Promo Solutions NW, Freelancer

Improved client artwork for printing materials with specific deadlines and changing clients.

2019 | Dino Transfers, Intern

Worked in a team to create designs in a fast-paced environment. Fixed client artwork for print materials.

2018 | Erandolin Strings, Musician & Designer

Conceptualized, developed and applied unique branding to album designs, website, and media.

SKILLS

Creative direction, project management, basic HTML and CSS, branding, identity, typography, layout, content creation, storyboarding, low to high fidelity prototypes, photography, and video editing.
